

## **CCA Status Report for CPC, May 14<sup>th</sup> 2026**

As you will see in due course from the annual report, everything is running smoothly at the Centre and, as we mentioned last time, it is now financially secure.

Josie Broome, our tenant in Unit 5, gave us notice that she would be leaving at the end of April. Her experience gained at the Centre led directly to appointment as Lead Potter at Marchmont. We advertised the Unit and within 24 hours, we had three applicants. Interviews were held; our new tenant is Rachel O'Dell, a glass-worker, who will be running workshops.

The Charity will make a donation towards maintenance of the Open Space in the coming financial year.

The Community Fund holds £876 for community use which could be used for any worthy purpose.

The charity will be running the Summer Fair on July 26<sup>th</sup> on the Open Space and the tenants plan to hold another Open Day in the autumn.
